GLOBAL BIODIVERSITY ALLIANCE CONFERENCE

30-31 October 2026

GEORGETOWN, GUYANA

Media Advisory

Global Biodiversity Alliance Conference

Investing in Nature: Accelerating Biodiversity Finance for Sustainable Development

The Global Biodiversity Alliance (GBA) invites media professionals to apply for accreditation to cover the **Global Biodiversity Alliance Conference**, scheduled for October 30 - 31, 2026, at the Arthur Chung Conference Centre (ACCC), Liliendaal, Georgetown, Guyana.

Accredited media representatives are invited to cover the following engagements:

- **Friday, October 30, 2026:**
    1. Opening Ceremony, attended by His Excellency, President Dr Mohamed Irfaan Ali, 9:00 a.m. to 11:00 a.m., Dome, ACCC
    2. Open Plenary Session, The Guyana Story: Creating a Model for the World, led by Vice President Dr Bharrat Jagdeo, 1:30 p.m. to 3:30 p.m., Dome, ACCC.
- **Saturday, October 31, 2026:** Open Plenary Sessions, 9:00 a.m. to 4:00 p.m., Dome, ACCC.

Media Accreditation

The Department of Public Information (DPI) has established an online accreditation portal to facilitate applications from journalists, videographers and photographers seeking to cover the two-day conference.

Media Accreditation Portal:
https://dpi.gov.gy/gba-media-accreditation-application/

Application Deadline: Monday, October 26, 2026.

Media professionals are encouraged to submit their applications before the deadline. For assistance with the accreditation process, please contact **accreditation@dpi.gov.gy**, using the subject line: *Media Accreditation Query – Global Biodiversity Alliance*.

Media Facilities and Coverage Arrangements

A dedicated media centre will be established to accommodate accredited media professionals. The centre will be equipped with audio, visual and internet facilities to support coverage of the conference, particularly as seating and working space within the Dome will be limited.

To ensure comprehensive coverage, high-quality photographs and video footage from each session will be made available to accredited media organisations.

Interview opportunities with high-level stakeholders will also be facilitated for accredited media representatives. Dedicated teams stationed at the media centre will coordinate interview requests and assist media organisations in maximising opportunities for engagement with key participants throughout the conference.

Additional Information

Media representatives are encouraged to visit the official Global Biodiversity Alliance website at https://globalbiodiversityalliance.org/ and social media pages for regular updates, programme details and other important information ahead of the conference.

The Global Biodiversity Alliance looks forward to welcoming media professionals to this landmark event, which will bring together high-level stakeholders for meaningful discussions and engagements aimed at **“Investing in Nature: Accelerating Biodiversity Finance for Sustainable Development.”**
